Dear New Patient,

We would like to take this opportunity to welcome you to our practice. Thank you for selecting our office for your dental care.

Drs. Diamond and McBirney, and our long-tenured team, are extremely proud of the lasting relationships we build within our community of patients, based on unwavering integrity, communication, and attention to detail.

Our office is committed to the prevention of dental problems and the preservation of your natural smile for a lifetime. With modern preventive techniques and your cooperation, this goal can be achieved.

We work hard to make sure our office is a comfortable and caring environment. We will make every effort to ensure that each experience here is a pleasant one.

A patient registration and health history form is enclosed so that you may thoughtfully complete it at your convenience. Please bring it with you to your first appointment. If you have dental insurance, please bring in a complete form along with your benefits information. This will enable us to help you with any questions that you may have about your coverage.

For your first appointment please expect to be here for 60-90 minutes with the doctor, for a complete exam and necessary x-rays, and for an hour with the hygienist.

Finally, if at any time you have a question regarding treatment, fees or services, please feel free to discuss them with us.

We look forward to meeting you.

Sincerely,

**Jeffrey A. Diamond, D.D.S.
John B. McBirney, D.D.S.**

A lasting **legacy** of excellent care.
